ADJUDICATING CHIEF MEDICAL OFFICER'S TECHNICAL RATIONALE

"The claim submitted by Mr. Vikramaditya Singhania has been comprehensively reviewed under the technical provisions of the Star Comprehensive Policy and IRDAI Health Insurance guidelines:
*1. **Room Category Breach:** The insured elected to occupy a Deluxe Room at Rs. 10,000/day against the policy limit of a Single Private AC room (Rs. 6,000/day). Under Section 1.A, associated medical expenses are proportionately scaled by 40%. The hospital billing includes procedural packages that incorporate associated overheads.*
*2. **Pre-Existing Disease / Enhancement Waiting Period:** The inpatient clinical history explicitly records past diverticular symptoms in October 2022. The Sum Insured was enhanced from Rs. 5,00,000 to Rs. 10,00,000 effective 15-Mar-2023. Under Clause 3.2 and Clause 3.3, a fresh waiting period of 24/36 months applies to the enhanced sum insured. Because 36 months have not elapsed since 15-Mar-2023, surgical treatment for pre-existing diverticular disease is excluded.*
*3. **Consumables Exclusion:** All disposable packs, surgical drapes, and surgical gloves have been excluded in accordance with standard non-payable guidelines.*
The adjudication is mathematically verified, fully compliant with policy terms, and represents the final settlement determination of the insurer."
