AUDITED DISALLOWANCE SCHEDULE & TECHNICAL ADJUDICATION GROUNDS (PAGE 1)

Disallowance Head & Stated Insurer Reasoning	Policy / Circular Citation	Billed (Rs.)	Disallowed (Rs.)	Approved (Rs.)
1. Co-Surgeon / Dual Neuro-Interventionist Microvascular Fee Disallowance Hospital billed Chief Neurosurgeon operative fee (Rs. 2,00,000.00) plus Senior Neuro-Interventionist co-surgeon microvascular coiling fee (Rs. 2,20,000.00). Under Clause 4.3, only one primary operating surgeon fee is admissible per surgical session; assistant surgeon fees are capped at 15%, and dual primary operating surgeon billing is repudiated as non-payable dual billing. 2. Pre-Existing Congenital Aneurysmal Disallowance (ACom Aneurysm Repudiation) Discharge summary cites ruptured saccular anterior communicating artery aneurysm. Intracranial berry/saccular aneurysms are congenital arterial wall defects existing from birth. Repudiated under Clause 4.2 (Exclusion of Congenital Internal Diseases and Vascular Malformations). Inpatient stay charges, hyperosmolar mannitol, and cerebral vasospasm management linked to congenital aneurysmal defect (Rs. 2,75,000.00) are excluded.	Clause 4.2 Congenital Internal Disease Exclusion & PED Exclusion	2,75,000.00	**2,75,000.00**	0.00
3. Modern Treatment Neuro-Stenting Sub-Limit Capping on Base Sum Insured The patient underwent microvascular coiling with Stryker Neuroform Atlas Stent reconstruction (Rs. 1,50,000.00). Under Clause 4.12, Modern Treatment Methods are sub-limited to 50% of the Base Sum Insured (50% of Rs. 10,00,000 = Rs. 5,00,000.00). Angiography suite, framing coil and packing coils already consumed Rs. 5,00,000.00. Hence, Neuroform Atlas stent deployment fee of Rs. 1,50,000.00 is disallowed in excess of sub-limit.	Clause 4.12 Modern Treatments (50% Base SI Capping)	1,50,000.00	**1,50,000.00**	0.00
