AUDITED DISALLOWANCE SCHEDULE & TECHNICAL ADJUDICATION GROUNDS

#	Disallowance Head	Clause / Ref	Paramount TPA Adjudication Reason & Rationale	Disallowed (Rs.)
1	**Pre-Existing Disease Repudiation (Mediastinitis)**	Section 4.1 (Excl-01)	Hospitalization for necrotizing thoracic/mediastinal septic response is repudiated under Exclusion 01 (Pre-Existing Disease). Patient's past medical history in 2021 records chronic allergic bronchitis and allergic rhinitis. Chronic airway allergic disease constitutes pre-existing respiratory vulnerability linked to current thoracic sepsis. Claimed Rs. 1,85,000 for Polymyxin B, Meropenem, ICU kinetics and thoracic clearance is inadmissible.	**Rs. 1,85,000.00**
2	**Enhancement Waiting Period Disallowance (Hernia TAR)**	Clause 3.2 (Specific Illness)	Policy was enhanced from Rs. 7,50,000.00 to Rs. 15,00,000.00 on 12-May-2024. Complex incisional hernia reconstruction and robotic TAR procedure performed on 14-Apr-2026 falls within the 24-month waiting period on the enhanced sum insured slab (23 months elapsed). Disallowed incremental surgical charges beyond initial base threshold of Rs. 7,50,000.	**Rs. 1,42,000.00**
3	**Proportionate Room Rent Deduction Surcharge**	Clause 2.1 (Room Ratio)	Patient elected to stay in Single Deluxe Room at Rs. 12,000.00/day. Under TPA empanelment guidelines, benchmark twin sharing is capped at Rs. 8,000.00/day. Applied pro-rata proportionate deduction ratio (8000/12000 = 66.67%) across surgeon operative fees, assistant fees, and OT complex charges, resulting in a deduction of Rs. 88,000.00.	**Rs. 88,000.00**
4	**Ultrasonic Energy Dissector Disallowance (Sonicision)**	Section 4.8 (List I Entry 42)	Covidien Sonicision Cordless Ultrasonic Dissection Handpiece billed at Rs. 52,000.00 is classified under IRDAI Annexure A List I Entry 42 ('Blades and Knives') as non-payable disposable surgical equipment. Handpieces and cutting shears are standard operating theatre overheads.	**Rs. 52,000.00**
5	**Robotic CapSure Mesh Internal Fixation Cartridge**	Section 4.8 (List I Entry 48)	Robotic CapSure 30-fastener cartridge billed at Rs. 44,000.00 is disallowed under List I Entry 48 ('Suture Material and Disposables'). Suture clips and fixation tackers are auxiliary surgical accessories not categorized as core prosthetic mesh.	**Rs. 44,000.00**
6	**Non-Medical Administrative & Grooming Expenses**	List I Entry 1 List I Entry 22	Inpatient administrative admission fee (Rs. 3,000.00) and personal grooming hygiene kit (Rs. 3,500.00) are standard non-payable overheads under IRDAI Annexure A List I schedule.	**Rs. 6,500.00**

GROSS HOSPITAL BILLED AMOUNT:	**Rs. 9,45,800.00**	**AUTHORIZED TPA APPROVAL:**	**Rs. 4,28,300.00**

STATUTORY GRIEVANCE REDRESSAL MECHANISM & REGULATORY ESCALATION NOTICE (PAGE 2 OF 2)

CHIEF MEDICAL AUDITOR'S TECHNICAL RATIONALE

This claim audit was executed by the Senior Medical Adjudication Board of Paramount Health Services TPA in accordance with the policy terms and conditions of Tata AIG MediCare Premier and prevailing TPA underwriting protocols. Deductions under Head 1 (Pre-Existing Disease) are based on hospital clinical case notes mentioning historical allergic bronchitis. Deductions under Head 2 (Enhancement Waiting Period) reflect literal calculation of months from 12-May-2024 to 14-Apr-2026. Deductions under Head 3, 4, and 5 apply standardized hospital tariff capping and non-payable surgical consumable schedules.

STATUTORY GRIEVANCE REDRESSAL & INSURANCE OMBUDSMAN PROCEDURE
